ILD# : _____

Dear Borrower,

We have been advised that there has been property damage to the above-referenced property. As Rushmore Loan Management Services has a security interest in your property, it is our policy to monitor the completion of repairs on all losses. If funds exceed the outstanding loan balance or the damage has been determined to be a total loss, Rushmore Loan Management Services may use the funds to pay the loan in full or apply to the outstanding debt. In addition, if your loan is delinquent, the disbursement funds will be released payable to you and the contractor. The following is an explanation of our policy with regard to the monitoring of hazard insurance claim's proceeds. To identify if your funds will be monitored, please review the "Process Guidelines" or contact Rushmore Loan Management Services Loss Draft Department at (866) 661-9372.

Once you have received your hazard insurance loss check and have verified the funds are to be monitored, have all payees endorse it and immediately forward it to: **Rushmore Loan Management Services, ATTN: Loss Draft Department, PO Box 2429, Scottsbluff, NE 69363. If you wish to overnight, please forward to ATTN: Loss Draft Department, 2617 College Park Drive, Scottsbluff, NE 69361.**

If monitored, the below outlines documentation that is required prior to the first disbursement of funds:

- Copy of the insurance company's adjusters report**
- Mortgagor's Affidavit (if applicable)**
- Contractor's Bid / Work Contract (if applicable)**
- W-9 (if applicable)**
- Contractor's License Affidavit (if applicable)**

Note: In the event mold or asbestos damage is listed on the Insurance Company's adjusters report (Insurance Estimate), a passing Air Clearance Test will need to be provided to Rushmore Loan Management Services prior to the second disbursement. It is the financial obligation of the borrower to cover the cost of the Air Clearance Test.

Please review the "Process Guidelines" outlined in this packet to assist you in understanding the processing expectations. Public adjuster or Attorney fees will not be paid from insurance loss funds unless specifically referenced as a line item in the Insurance Adjuster's Damage Report. In addition, all disbursement checks will be sent via regular mail with the United States Postal Service unless a prepaid envelope is provided to Rushmore Loan Management Services.

A minimum of two (2) property inspections will be ordered during the monitored repair process. Our property inspection company will contact you within 3 to 5 business days of your request to arrange a convenient time to inspect your property. Your prompt response to the inspector's request will prevent unnecessary delays in disbursement of your loss funds.

Once the first disbursement has been mailed and the repairs have begun, you may not change contractors without our approval. We will require an itemized invoice of work completed and a signed and notarized Waiver of Lien from the original contractor. In addition, we will require a signed work contract by the borrower and the new contractor. Funds may not be released until *all* parties are in agreement as to the percentage of repairs complete and the funds due to the original contractor.

We reserve the right to withhold funds until all parties have complied with our procedures.

PROCESS GUIDELINES - WHAT TO SUBMIT

Please be advised that you will need to provide us with the following completed documents. Details and sequence for submission for each document are as follows:

Note: Failure to provide the required documents timely and accurately completed may delay the disbursement of your insurance loss draft funds.

Insurance Adjuster's Damage Estimate (Insurance Estimate) – All pages of the itemization of property damages that your insurance company used to base the settlement of your claim. This document is required prior to the disbursement of any funds.

Mortgagor's Affidavit - Statement by you verifying property location, damage and intent to repair/rebuild. (Enclosed) This document must be signed and dated by all mortgagors. This document is required prior to the disbursement of any funds.

If you meet the requirements that qualify you to act as your own general contractor (such as your loan being current, loss type and amount of your loss) then you will *not* be required to submit a signed work contract and W-9. However, you will be required to complete the Mortgagor Affidavit accordingly. If the net claim is over \$20,000 or your loan is delinquent, the option to act as your own general contractor is not available.

The insurance claim check (Endorsement procedures will be provided upon verbal contact with the Rushmore Loan Management Services Loss Draft Department).

Contractor's Bid/Work Contract (if applicable) - This is a legal agreement signed by you and the construction firm(s) doing the repair/rebuild. It must include detailed scope of work and agreed upon cost of repairs. This document may be required prior to the disbursement of any funds.

W-9 (if applicable) - form completed by your contractor (Enclosed). This document may be required prior to the disbursement of any funds.

Contractor's License Affidavit (if applicable) - Depending on the situation, we may require you to hire a licensed contractor to complete the repairs. This form will need to be completed in its entirety by the contractor(s) in the presences of a notary. This document may be required prior to the disbursement of any funds.

Affidavit of Bills Paid and Release of Liens by Contractor (if applicable) – Each individual contractor must complete their own form, signing and dating the document in the presence of a notary. This completed document provides a statement indicating repairs have been undertaken and completed and that upon full payment the contractor will waive and release any and all liens against the subject property associated with this work (Enclosed). When a contractor is required, this document is required by Rushmore Loan Management Services prior to final disbursement of insurance claim proceeds.

If the Insurance Company's adjusters report (Insurance Estimate) indicates mold or asbestos, a passing **Air Clearance Test** document is required prior to the interim disbursement. You are responsible for the test completion and must submit the certificate showing the mold or asbestos has been remediated.

To submit any of the above, please ensure the following information is included:
